

### ***Absolut Raspberri***

*Since wild raspberries are often found in the Swedish hillsides, nothing could be more natural than introducing Absolut Raspberri. And so it was, in 2004, 25 years after the introduction of Absolut Vodka.*

*Absolut Raspberri is made exclusively from natural ingredients, and unlike most other flavored vodkas, it doesn't contain any added sugar. It's rich and intense with the fresh and fruity character of ripened raspberries.*
