

## ***Absolut Mango***

*Just as fellow flavor Absolut Pears, Absolut Mango was introduced in 2007. The flavor, quite obviously, is based on mango – a word that’s more or less the same world wide. That in combination with the juicy taste, might very well be the reason behind the instant world wide success.*

*Absolut Mango is made exclusively from natural ingredients, and unlike most other flavored vodkas, it doesn’t contain any added sugar. Absolut Mango is full-bodied and juicy with a character of ripe mango and notes of tropical fruits.*
