

## ***Absolut Pears***

*Introduced in 2007, Absolut Pears is quite a newcomer in the Absolut family. And as with all talented rookies, the audience soon took it to their hearts. Probably because it's such a good alternative to other overly sugared alternatives around.*

*Absolut Pears is made exclusively from natural ingredients, and unlike most other flavored vodkas, it doesn't contain any added sugar. Absolut Pears is fresh and delicate, with a smack of mellow pears and a long fruity aftertaste.*
